Sustainable  
products

Our Brand is Built Upon  
**Sustainability & Innovation**

**OrgaQ Organicky** Eco-friendly and sustainable products are the smart choice for families everywhere. Our philosophy states " Quality vests where we believe in Nature" and we make sure that we work with suppliers and partners who share the same mind-set.

## WHY WE EXIST ?

### ***THE PROBLEM***

While plastic offer many conveniences, we have become addicted to single-use or disposable plastic, with severe environmental threats.

### ***OUR SOLUTION***

We at OrgaQ Organicky are guided by the need to develop commercial solutions to social and environmental problems. In respect of this, we promote ethical, sustainable and handmade products that are completely nature based and non-toxic to environment as well as human lives.

# BAMBOO TOWELS<sup>®</sup>

# WHY BAMBOO?

## SUPER SOFT

Envelope yourself in truly unparalleled comfort with super soft feel and texture similar to a blend of silk.

## ECO-FRIENDLY

Requires less water and no pesticides. Releases 35% more oxygen as compared to other plants.

## ABSORBENT

Bamboo is 40% more absorbent than cotton due to its porous cross section.

## ANTI-MICROBIAL

The natural presence of 'Bamboo Kun' a biological agent, makes bamboo antimicrobial.

## THERMO-REGULATING

The bamboo filaments are filled with micro sized holes and gaps which allows fabric to regulate body temperature.

## BREATHABLE

Bamboo fiber can absorb and evaporate sweat/water in a split of a second. It keeps you cool in summer and warm in winter.

**OrgaQ Organicky** provides you with silky soft luxurious bath linen wherein every piece of it, is carefully made with 100% Bamboo Terry loops to ensure quick dry with a silky experience to the skin. The terry loops are attached to a cotton ground for enhanced durability. Thus overall material is a blend of 70% Bamboo and 30% cotton.
